The screenshot shows a web browser window with the address bar displaying "file:///I:/MY_PROJ_HTML/home.html". The website header features a large image of a modern building with the text "Paradise Mall" and "Shope At Home". On the left, a sidebar lists departments: Clothing, Furniture, Electronics, and Books and CD. The main content area contains a registration form with the following sections:

- Personal Informations**: Fields for First name, Last name, Gender (dropdown), Birthday (Month, Day, Year), I live in (dropdown), and Postal Code.
- Password**: A note "Please enter a password for your user account. Note that passwords are case-sensitive." followed by Password and Confirm Password fields.
- Email Address**: A note "Please enter a valid email address for yourself." followed by Email Address and Confirm Email Address fields.
- Credit card**: A note "Please enter a valid Credit card number" followed by an "Enter Credit card number" field.

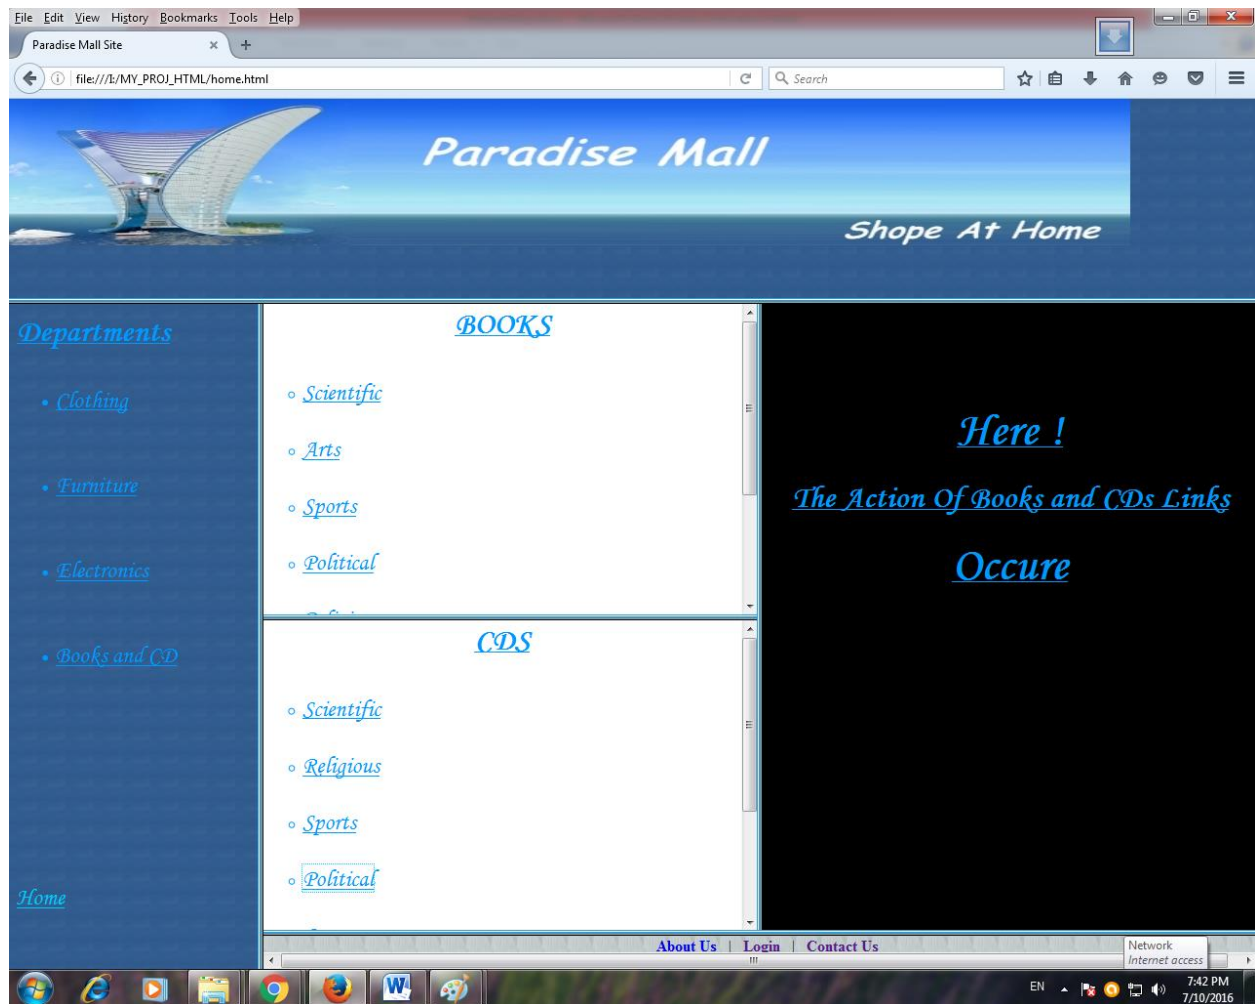

At the bottom of the form are two buttons: "Complete Registration" and "Reset Fields". The footer includes links for "About Us", "Login", and "Contact Us", along with a "Network Internet access" status bar showing the time as 7:23 PM on 7/10/2016.
